

Excavation and Sodding

Last Updated Thursday, 10 May 2007

Sodding, Topsoil, and Excavation Need a new yard now? Nalley Concrete & Excavation can do everything from grading your property to solving drainage issues. Let us remove your old grass and lay fresh new sod to make your neighbors green with envy. Sod at the stores can cost you up to \$5 for a small roll. If your yard is prepped and ready to go, we can lay sod for \$.60 per sq foot or less (depending on size of the job, bigger is cheaper). Removing existing grass and grade work is an additional fee. After your beautiful new sod is installed we have teamed with "All About A Lawn" to give you special pricing on lawn treatments and maintenance. Estimates are always free so give us a call.
